Her Web site was developed as a service to her existing, as well as prospective, students by providing detailed information about dance instruction lessons and ongoing classes.

Janice's Dance Studio offers professional adult instruction for many types of dance including Ballroom Dancing, Salsa, Swing, Jitterbug, Foxtrot, Waltz, Tango, and West Coast Swing as well as many other popular dancing forms. **My Studio has a huge but private dance floor to learn in an expansive environment without distractions.** I offer a multi-student (2 or more) and multi-class (4 classes or more) discount of for each student. Further, as a thank you to our current students, we offer a free lesson of dance when you bring in a new student and they mention your name at their first lesson.
